The Fire Keeps Us Moving

**When things go wrong, as they  
sometimes will,  
When the road you're trudging seems  
all uphill,  
When the funds are low and the debts  
are high,  
And you want to smile, but you have  
to sigh,  
When care is pressing you down a bit,  
Rest, if you must, but don't you quit.**

**Life is strange with its twists and  
turns,  
As every one of us sometimes learns,  
And many a failure turns about,  
When he might have won had he stuck  
it out;  
Don't give up though the pace seems  
slow--  
You may succeed with another blow.**

Success is failure turned inside out--  
The silver tint of the clouds of doubt,  
And you never can tell how close you  
are,

It may be near when it seems so far,  
So stick to the fight when you're  
hardest hit--

**It's when things seem worst that you  
must not quit.**

The Fire Keeps Us Moving

*Though the cover is worn, and  
the pages are torn,  
And places bare traces of  
tears,  
Yet more precious than gold,  
Is this Book worn and old,  
That can shatter and scatter  
my fears.*

*This Book is my guide, tis a  
friend by my side,  
It will brighten and lighten my  
way,  
And each promise I find,  
soothes and gladdens my mind,  
As I read it, and heed it each  
day.*

*To this Book I will cling, of its  
worth I will sing,  
Though great losses and  
crosses be mine,  
For I can not despair, though  
surrounded by care,  
While possessing, this blessing  
divine.*

**“Spiritual  
Complacency is a  
clear indication of  
Spiritual  
Coldness”**

**"Complacency is a blight that saps energy, dulls attitudes, and causes a drain on the brain. The first symptom is satisfaction with things as they are. The second is rejection of things as they might be. 'Good enough' becomes today's watchword and tomorrow's standard. Complacency makes people fear the unknown, mistrust the untried, and abhor the new"**

"The early Christians didn't need a shot in the arm every Sunday to keep them going. They knew Jesus and they upset the world and worried the devil and gave wicked rulers insomnia and started something that jails couldn't drown and swords couldn't kill.
